HOW COOL IS YOUR CONGREGATION?

Join Ohio Interfaith Power & Light for a Cool Congregations Workshop at the Southeast Ohio Green Energy & Green Collar Jobs Regional Workshop and Tradeshow Event

Learn How To Green Your Church And Teach Your Congregants To Save Energy!

**Saturday, September 12, 2009
Logan Campus of Hocking College
30260 Industrial Park Drive
Logan, Ohio 43138**

The Three Hour Workshop will include:

- How to save 10-40% on your energy bills
- ABC's of climate change with OSU's Byrd Polar Research Center
- Why we care: The religious response to climate change
- Measure and find ways to reduce your carbon footprint
- How to organize a Cool Congregations program
- How to prepare for an energy audit
- Begin plans to save energy for your congregation!

Bring this coupon to the Cool Congregations workshop and receive a **FREE CFL!**
