

Exhibitors & Vendors Wanted!

to participate in
Ohio's Inaugural Faith Community Environmental Stewardship Conference

Green Summit

Building **G**ratITUDE & **R**eVereNce for the **E**arth, **E**nergy & **N**ature

October 3, 2009 at the Procter Camp & Conference Center
11235 State Route 38 SE, London, OH 43140

The Green Summit is a unique opportunity for faith communities from across Ohio to network and gain resources and inspiration to green their congregation and support their faith-based environmental efforts. This is a prime outreach community that has much to learn and gain in energy efficiency and sustainability.

There is no charge to exhibit at this event. We welcome corporate, private business, non-profit and Ohio Green Congregation Teams
