CHECK WHAT YOU WOULD LIKE TO ACCOMPLISH THROUGH THE SUSTAINABILITY INTERNSHIP PROGRAM:

	Sustainability Activity
	Engage in an educational activity with members concerning care for creation, climate change, environmental justice, nature and children, or other topic (Specify: _____)
	Facilitate the benchmarking of the host faith community's energy use through the Energy Stewards program
	Facilitate an energy audit of buildings to identify sources of energy waste and potential financial savings of related energy improvements
	Establish an ongoing group (e.g. "green team," "creation care," "earth stewardship committee") within the congregation to address climate change and other environmental concerns
	Adopt environment-friendly practices of purchasing, using, and disposing of supplies and for transportation for congregation-related purposes
	Facilitate sustainability audits using the Audit Checklists on a variety of topics (i.e. Water, Grounds, Waste, Energy, Food)
	Establish a community garden, share resources about local food production, and/or assist in a local food pantry or farmers' market
	Facilitate an event with public officials to highlight the need to address climate change.
	OTHER: (specify) _____

For each activity checked, develop a timeline and goals and track progress.
